#### **BIG SIR Herb Percy's Message**

[dadpercy@yahoo.com](mailto:dadpercy@yahoo.com) 707-575-7787

The only place where success comes before work is in the dictionary.

Vidal Sassoon.....

I thought what a profound statement so I researched it a little more to see what he was thinking. Finding out that Vidal was a hairdresser and that his clients (male or female) expected him to come up with new and different ideas. It reminded me about SIR's and our current claimant. As most of you are aware, we have lost a number of members in the past few months. That means, we need to recruit new members and make our branch in the business world terms "marketable". How do we do that is the big question. One thought is to let everyone who is not a member of a board or sub-organization in our group, such as golfing, garden club, boys night out, couples night out, bridge, fishing, and are looking for more or other activities for involvement in. Such as, we are looking for someone to assist the Attendance Chairman in helping to contacting members who are not regular attendees and who have not notified Marv that they will not be in attendance.

The board welcomes any and all to come to the board meetings prior to the fellowship time and luncheon, to see what's going on and where you could "plug yourself in" and become more active and have more fun.

We meet at 10:30 am to 11:00 am. Come check it out!

#### **LITTLE SIR Jim Gurke's Message**

[ljgurke@gmail.com](mailto:ljgurke@gmail.com) 707-843-3464

At our February meeting we heard from Ron Holt, one of the co-founders of North Bay Brewery Tours.

Regardless of your taste in beer, or whether you even enjoy it, there's no denying it's importance in Sonoma County economics. Recent data suggests it's a \$170 million industry employing several hundred people, not counting related transportation and resource personnel.

This month we'll hear form **Deborah Large** of the **Jack London Historic State Park**. My wife and I have visited the park on numerous occasions to hike its trails that meander through oak forests and along local vineyards. We've also attended several Transcendence Theater musical reviews where you can enjoy a picnic, wine and fantastic Broadway show tunes performed by top rate singers and dancers. The park is also nearby Glen Ellen, which hosts several fine restaurants. All in all a wonderful place for family entertainment.

## Chaplains' Corner by Herb Percy

We sure have had many opportunities to pray for many members of our branch with the recent passing of Bill Fulwider, Jim Phipps, and Lou Funk. We have just now been notified that we have lost another member. George Nelson passed away on February 25th.

We want to keep the Nelson Family in our prayers as they adjust to life here on earth without George.

May the season of Lent and the coming of Easter be a blessing to you and your loved ones.

We need to keep our members in our thoughts and prayers for whatever their health needs are.

Make a friend and not just an acquaintance.

## Joke of the day!

As an airman recruit stationed in San Antonio, Texas, I learned how to pull guard duty early on. For practice, the sergeant instructed me to guard the golf course clubhouse one night. When I saw lights coming across the course and heading my way, I did just as I'd been ordered, saying "Advance and be recognized." Coming from California, I had never seen fireflies before.

## The February 20, 2015 General Meeting

was a presentation by North Bay Brewery Tours.

Ron Holt, co-founder of North Bay Brewery Tours told us about the craft beer business, the many styles of beer being brewed countywide.

Regardless of your taste in beer, or whether you even enjoy it, there's no denying it's importance in Sonoma County economics. Recent data suggests it's a \$170 million industry employing several hundred people, not counting related transportation and resource personnel.

North Bay Brewery Tours was started by three craft beer fanatics on a mission to expose people to all the amazing beer brewed locally in and around the greater San Francisco Bay Area. They are a tour bus company committed to bringing the public to great beer and, most importantly, how to safely visit several of them through a tour with North Bay Brewery Tours, while at the same time keeping tipsy drivers off of the road.

## The March 20, 2015 General Meeting

This month we'll hear from Deborah Large of the Jack London Historic State Park.

She is the Community Events Manager at Jack London State Historic Park since 2012. At that time, Valley of the Moon Natural History Association

finalized an operating agreement with the CA State Parks to prevent the park from closing. Under the agreement the park receives no state funding, so it is up to Deborah to increase visitation and revenue. Her enthusiastic work with the park has resulted in up to 40 annual events open to the public, including the Transcendence Theatre musical reviews.

I hope you enjoy Ms. Large's presentation about Jack London, the park and host of activities. For more information visit the web site:

## 2015 PICNIC ANNOUNCEMENT

## ACTIVITIES

### Bowling

When was the last time you went bowling? Has it been too long? SIR bowling happens every Monday morning at Double Decker Lanes in Rohnert Park adjacent to the golf course. We start at 10 A.M. and finish before Noon.

Don't think you are good enough? Wrong!! This is casual bowling, no teams, but we maintain handicaps and have a very small prize fund each week. We have good bowlers, and not so good bowlers, but we have fun and we get a little exercise. Try it. You do NOT need to make a commitment to bowl EVERY week. Just come on out and bowl.

The Bowling Activities Chairman is Jim Armstrong; call 707-322-7603 or email [army4344@yahoo.com](mailto:army4344@yahoo.com).

### Boys Night Out

(Article written by Fred Rose)

February's BNO was at **Pamposh Restaurant**, featuring a fine Indian cuisine, which was very delightful, interesting, very clean, pleasantly appointed and not a noisy dining room. It was quiet and easier to converse among our group. I believe it was enjoyed by all and I think we all agreed that we would return and I have. It was even better the second time!

Come join us in March at the **Third Street Aleworks**, 610 Third Street, Santa Rosa, next door to the Third Street Cinemas theatre and across the street is a parking garage.

For more information go to their website and check out the menus at:

[www.thirdstreetaleworks.com](http://www.thirdstreetaleworks.com) or call 523-3060.

Something to think about: Tuesday's ALL DAY is Happy Hour. This Tuesday will be St. Patrick's Day so they might even have some 'green beer'. You might want to consider having a designated driver lined up!

**The date is Tuesday March 17<sup>th</sup> at 6:00 pm**  
**RESERVATIONS ARE A MUST!**

Contact Fred Rose at [fredricrose@comcast.net](mailto:fredricrose@comcast.net) or call 548-5797 by Friday March 13<sup>th</sup> if you are planning to attend. Hope to see you there!

### Bridge

(Article written by Stephen Virtue)

Bridge is an important activity with many of our members not only within our own branch but with participation of members from other branches in our area. (Our first come first served up to 12 players) Bridge activities are coordinated by chairman Al Black, email to [rosaridge@comcast.com](mailto:rosaridge@comcast.com) or call 707-578-3210. We welcome new and interested members to think of joining the pool of players.

Bridge days scheduled this month for play at Legends Restaurant Bennett Valley starting at 10 AM are on Tuesdays **March 10 and March 24**.

A special thanks to Al Black for coordinating our "Legends" 2nd & 4th Tuesday bridge activities.

### Couples Night Out

(Article written by Jim Jones)

Couples Night Out is a monthly event which is intended to bring SIRs couples together for an evening of enjoyment and dining at a local restaurant which is noted for its experience, cuisine and affordability. Our club meets every 3<sup>rd</sup> Wednesday of the month at a restaurant of choice. Our dinner for February was at the **Ca'Bianca Ristorante Italiano** in Santa Rosa. As always, the food was very well prepared, notably delicious and the accommodations were perfect for our large group.

For the month of March 2015, we will be enjoying **no host beverages starting at 6:00 pm with dinner starting at 6:30 pm on Wednesday March 11, 2015**, at

**Charlie's at the Windsor Golf Club**, which is located at 1320 19th Hole Drive. Charlie's, one of the more notable restaurants, has

for years boasted with pride some of the finest dining in Sonoma County, and the legions of followers will heartily attest. Whether it's a business lunch, a romantic dinner for two or just getting together with family and friends, Charlie's is one of the more preferred restaurants for that dining treat. As always, the cost per person will depend upon the individual's menu and beverage selections. Individual tabs have been arranged. For those who wish to bring their personal favorite wine to this occasion, there is a modest corkage fee.

If you would like to join us on our next fun outing at Charlie's at the Windsor Golf Club, **Reservations are a Must!** Please notify Jim Jones at [j\\_rjones@att.net](mailto:j_rjones@att.net) or by calling 539-2027 by March 4, 2015. **Seating is limited to twelve couples for this venue, so first come first served!**

You can visit Charlie's at the Windsor Golf Club at <http://www.windsorgolf.com/charlie-s-restaurant>

## Fishing

I am happy to report this year's Bodega Salmon fishing trip is a go. We have six hearty soles who have committed to the trip, scheduled for Wednesday, **July 15, 2015**. Once again, they will be going out on the Miss Anita, one of the best charters out of Porto Bodega. The boat leaves the dock at 6:30 am with everything provided except fishing licenses and lunch. Since we booked so early, the cost of the trip is \$200.00, payable at the boat. If anyone else is interested in going, let me know. If we get enough fishermen, we can get another date or another boat. At the very least, your name can be added to the "wait" list.

Nothing new to report on the Alaska trip.

If you have any questions, contact Ted Scapeccia at 529-0063 or Don Salazar 545-0873 who will be more than happy to answer your questions.

## Garden Club

Contact our Garden Club chairman, Vern Calsy, by calling him at 707-545-0932, or send him an email at [vecandjfc@sbcglobal.net](mailto:vecandjfc@sbcglobal.net) for more information, or better yet attend a brief meeting of interested gardeners generally held at 11:15 A.M. in the Board meeting room prior to each regular meeting.

## Notice to Members

If you have **NOT** paid your **\$20.00** voluntary contribution, please do so as soon as possible. Thank you!

If you missed the January meeting, please be sure to pick up your new 2015 copy of the Members Guide-line booklet as you obtain your badge when attending the next meeting. It has a list of all the new officers, directors and committee chairmen along with a lot of other interesting information.

## GLOBAL FORUM

We opened our February 13<sup>th</sup> FORUM with comments on the Tesla sedan together with the growth of the EV. Comments were made on the delays of the "X" SUV. Elon Musk announced Tesla will make a household/industrial building storage battery to be sold with its solar cells. Talk of the car led to Nikola Tesla, so a book, "The Tesla Papers" is being read.

And we had no objection to sending a "hello" to space aliens.

We moved on to perceptions of social status, governing, and education. We agreed (unusual) that personal points of view were influenced by our environment, parental up-bringing. Good parenting is the most important factor in a child's success.

No time was left to discuss air pollution: from Asia or locally generated in the San Joaquin valley or refineries. Two regrets. PS: Did anyone see Leon Panetta's interview on CNN?

Next FORUM **Friday March 13**, at 10:00 AM.

Bring your issues for discussion. Expect to talk and listen for about two hours at Chuck Aver's house, 1520 Briarfield Pl. Go Hwy 12 up Los Olivos, after crossing Manzanita, right at Briarfield, 2nd house on right. Cheers, Chuck!

## 2016 Officers and Directors.

The nominating committee has been working in the background on coming up with a suggested list of names of members to nominate for 2016 Officers and Directors.

If you have someone in mind you would like to nominate for an officer or director OR if **you** would like to become an officer or director, then please contact any of the members on the committee:

Larry Kelly [lark1938@sbcglobal.net](mailto:lark1938@sbcglobal.net) or 579-1903  
Fred Rose [fredricrose@comcast.net](mailto:fredricrose@comcast.net) or 548-5797  
Stephen Virtue [stephenvirtue@sbcglobal.net](mailto:stephenvirtue@sbcglobal.net) 578-8638

This may seem like it is way too early to even think about but it is not. Per SIRinc rule 131 a proposed list of names is to be presented to the general membership during the May meeting, updated during the July meeting, and voted on in the August meeting, with installation of new officers and directors to take place in the November meeting.

## Traveling Golf

### So much golf....So little time.

Last week our Travel Golf group headed out to Napa for a bonus round of golf at Kennedy Park. For winter time golf, we had a great day and a fun time on the links.

Our next outing is at **Hidden Valley Lake** up by Middletown. It's going to be on **Wednesday March 18<sup>th</sup>** with a **9:15 am** start time. Forty dollars gets you green fees, shared cart, prize fund and a chance to win a free round of golf if you're good enough to take the CTP prize. They have a signature hole up there that you won't want to miss out on. The payment will be due on March 9th.

SIR branch 106 in Fairfield has invited us to join in on their annual golf outing at **Yocha Dehe**. It will be held on **Wednesday April 15<sup>th</sup>** at the Cache Creek Casino, Brooks CA.). It's a bit of a drive, but it is considered to be one of the premier courses in the North Bay. The fee is \$99, which includes cart, range balls, tee prizes, closest to the pin prizes on all par 3's, lunch, and gaming vouchers for the casino. You can get into more golf action by putting \$5 into the prize fund pot at the golf course. If you have a foursome, just complete the application and mail it in with a check (make a note on the top of the application form that you are with "Santa Rosa SIR"). If you are a single, or are in need of filling out a foursome, let me know and I'll hook you up with other interested singles in our group. You can find the flier and application form along with our 2015 Travel Golf line up, in the activities section of the SIR branch 17 web site at: <http://branch17.sirinc2.org/activities.html>

Finally, we'll be heading down to San Francisco to play the **Presidio on Thursday April 23<sup>rd</sup>**. This is another famous course that sits atop the list of the Bay Area's best. Ninety dollars gets you green fees, shared cart, range balls and prize fund. The first 16 players to sign up will receive a free replay round of golf, good for 30 days.

Until next time, Good Golfing.

Roy Thuestad
